

Five Reasons

Physicians, Clinics, Nursing Facilities Should Not Process Their Own Requests for Medical Records In-House

1

e+HRSolutions, Inc. removes this tedious and time consuming task from your busy staff members. We save your facility time and money by processing requests for you. We provide trained personnel, high speed scanning equipment, postage, and all supplies and customer service.

2

We assure the utmost in confidentiality and compliance with HIPAA Privacy and Security regulations. All of our representatives are trained in confidentiality, sign confidentiality statements, and are insured. Records are never removed from your facility – we copy at your site.

3

Become more cost effective. Studies show that it costs more to handle your requests in-house. If you consider the cost of your employees, copy machines, leases, toner, paper, and the hassle of dealing with requestors, it makes sense to let **e+HRSolutions, Inc.** manage this for you. We also handle all billing and collection for requests.

4

Highly trained personnel are supported directly by the owner of the company who is credentialed as a Registered Health Information Administrator and has lectured extensively to healthcare providers and industry groups on HIPAA and confidentiality.

5

Medical record requests are managed on a STAT – rapid turn-around basis. We are a local company that provides an unparalleled level of expertise in the field.
